## Step 3. Calculations

Add the total number of tickets in each price group:

Calculate full cost from the single ticket prices in each group: (B)

The following discounts apply: For 3 tickets: \$5, for 4 tickets \$10, for 5 tickets \$15, for 6 tickets \$20, for 7 tickets \$25.

For 8 tickets or more, multiply the total number of paid tickets by 5. eg for 12 tickets the discount is \$60.

Add the total number of tickets:  Calculate your discount: \$  (C) Add the total of the full prices from (B) and from the numbers of special concert tickets \$  Subtract the discount (C) from the total of the full prices \$

**Plus my Tax Deductable donation:** \$  **GRAND TOTAL \$**
